

# "Keep The Water Running"

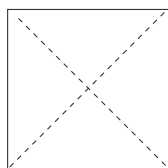

## Eight Way See & Say™ Instructions

Cut out the square along the \_ \_ \_ \_ \_ cut line.

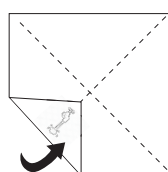

Use the ..... fold lines to guide your folds.

- 1 With the hand washing picture side down fold the cut square paper along the fold line, corner to corner. Lay square open.

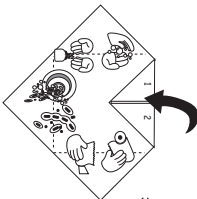

- 2 With the hand washing picture side down fold the cut square paper along the other fold line, corner to corner. Lay square open.

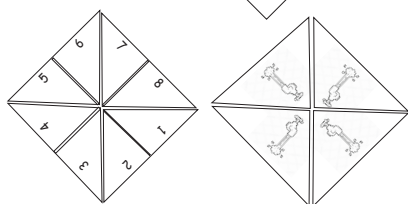

- 3 Fold each faucet and numbered corner along fold line, toward the hand washing picture side folding to the center of the square. You should see the faucet and two numbers on each corner.

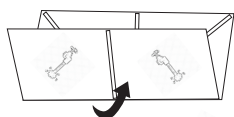

- 4 Turn folded square over, folds down, hand washing picture side up.

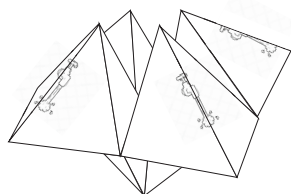

- 5 Fold each set of numbered corners from underneath along fold line in toward the hand washing picture side.

- 6 The small folded square should have faucets on one side and numbers on the other.

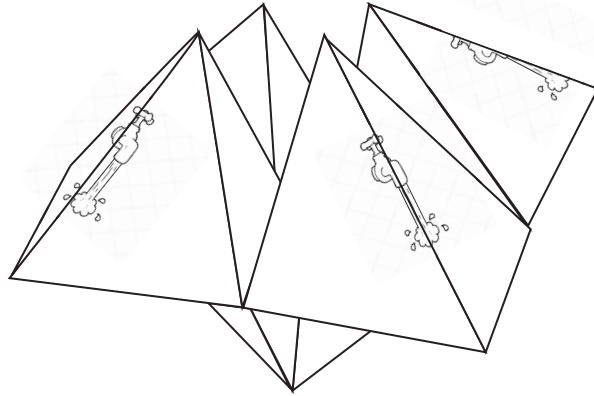

- 7 Fold the small square in half folding the number side in on itself.

- 8 Place both pointer fingers and both thumbs in the faucet pockets you have created. You are ready to play the "Keep The Water Running" Eight Way See & Say Game. Game rules on next page.

# "Keep The Water Running" Eight Way See & Say™ Game

With your fingers placed in the faucet pockets squeeze your left pointer finger and thumb together. Now squeeze the right pointer finger and thumb together and pull the Eight Way See & Say apart. The Eight Way See & Say will open two ways.

Way #1 you see:

1 wet; 2 soap; 5 dry; and 6 turn off

Way #2 you see:

3 rub; 4 rinse; 7 dirty, nasty germs and 8 down drain

As you sing along

- Open way #1 - flip up 1 and 2
- Open way #2 - flip up 3 and 4
- Open way #1 - flip up 5 and 6
- Open way #2 - flip up 7 and 8

How many times can you open and flip up before the song ends?
