The Magic Words

One day the flowers, the trees
and the houses stopped smiling.

The Magic Words

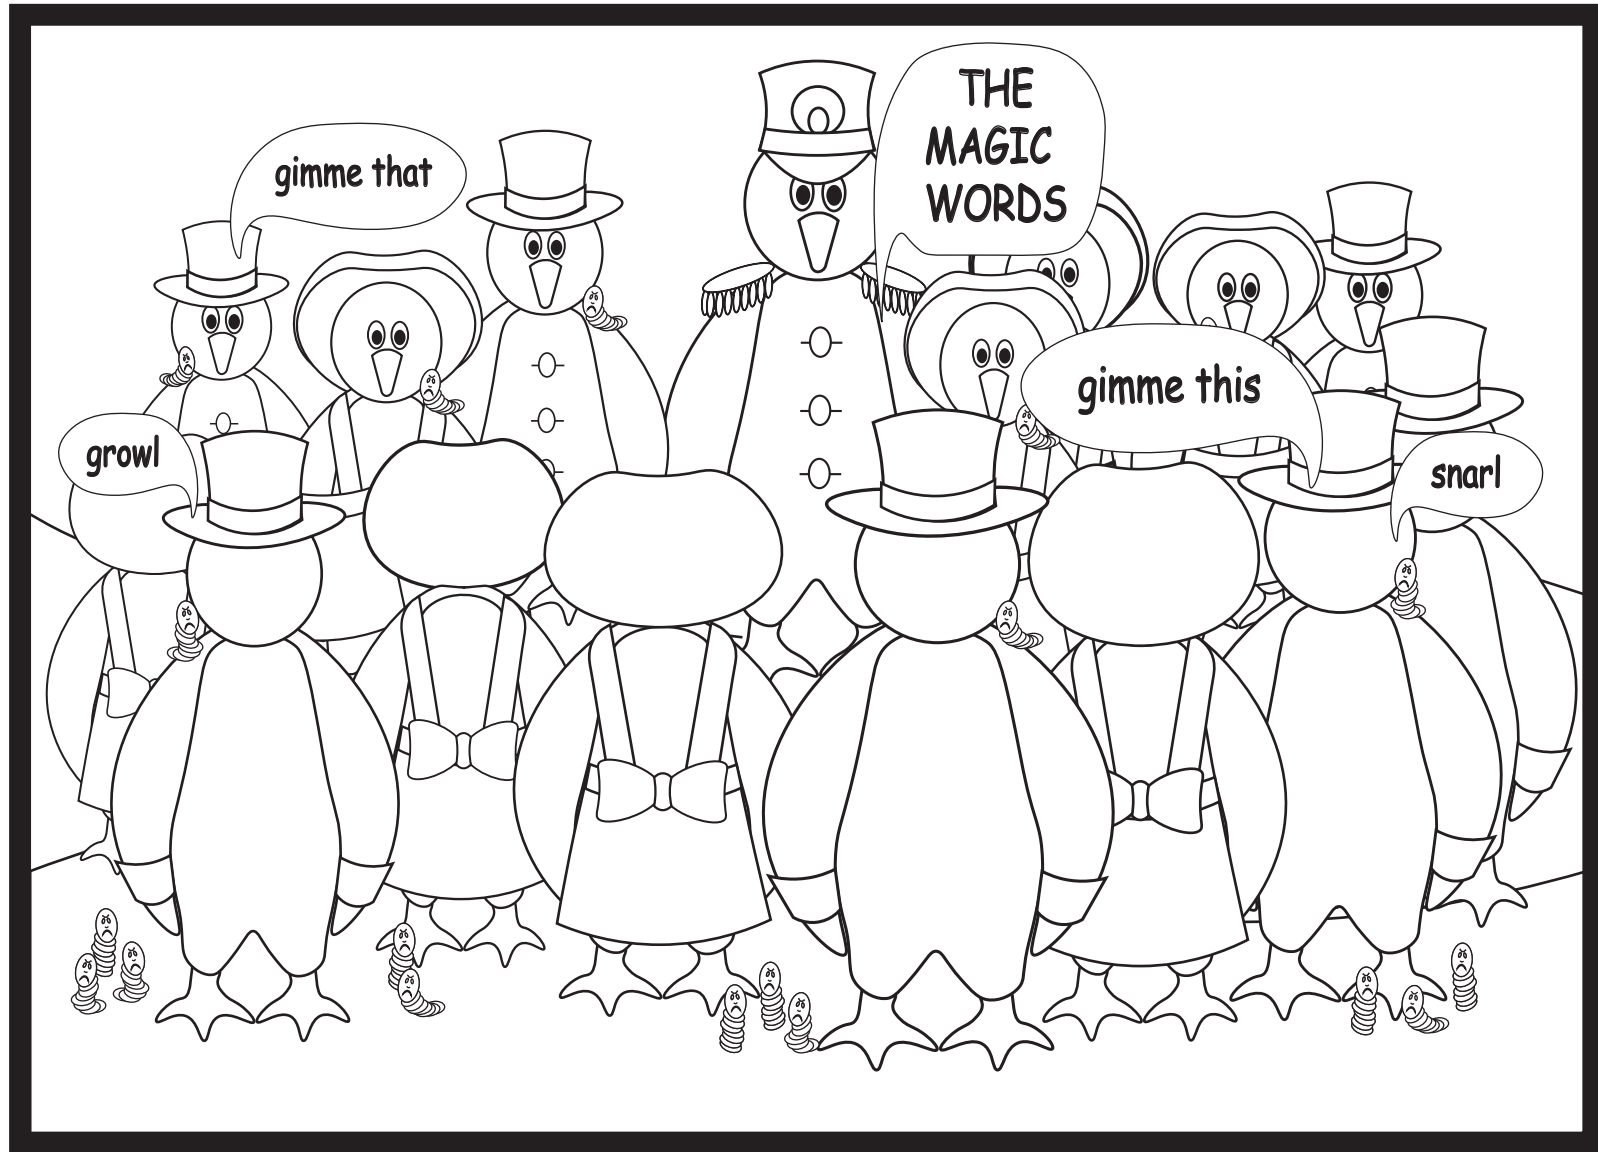

They were shouting "gimme this!" and "gimme that!" They were the Green Greedy Gimmies!

The Magic Words

All the folks in the Nation called Nice were acting just like the Green Greedy Gimmies. They were shouting, "gimme this!" and "gimme that!"

The Magic Words

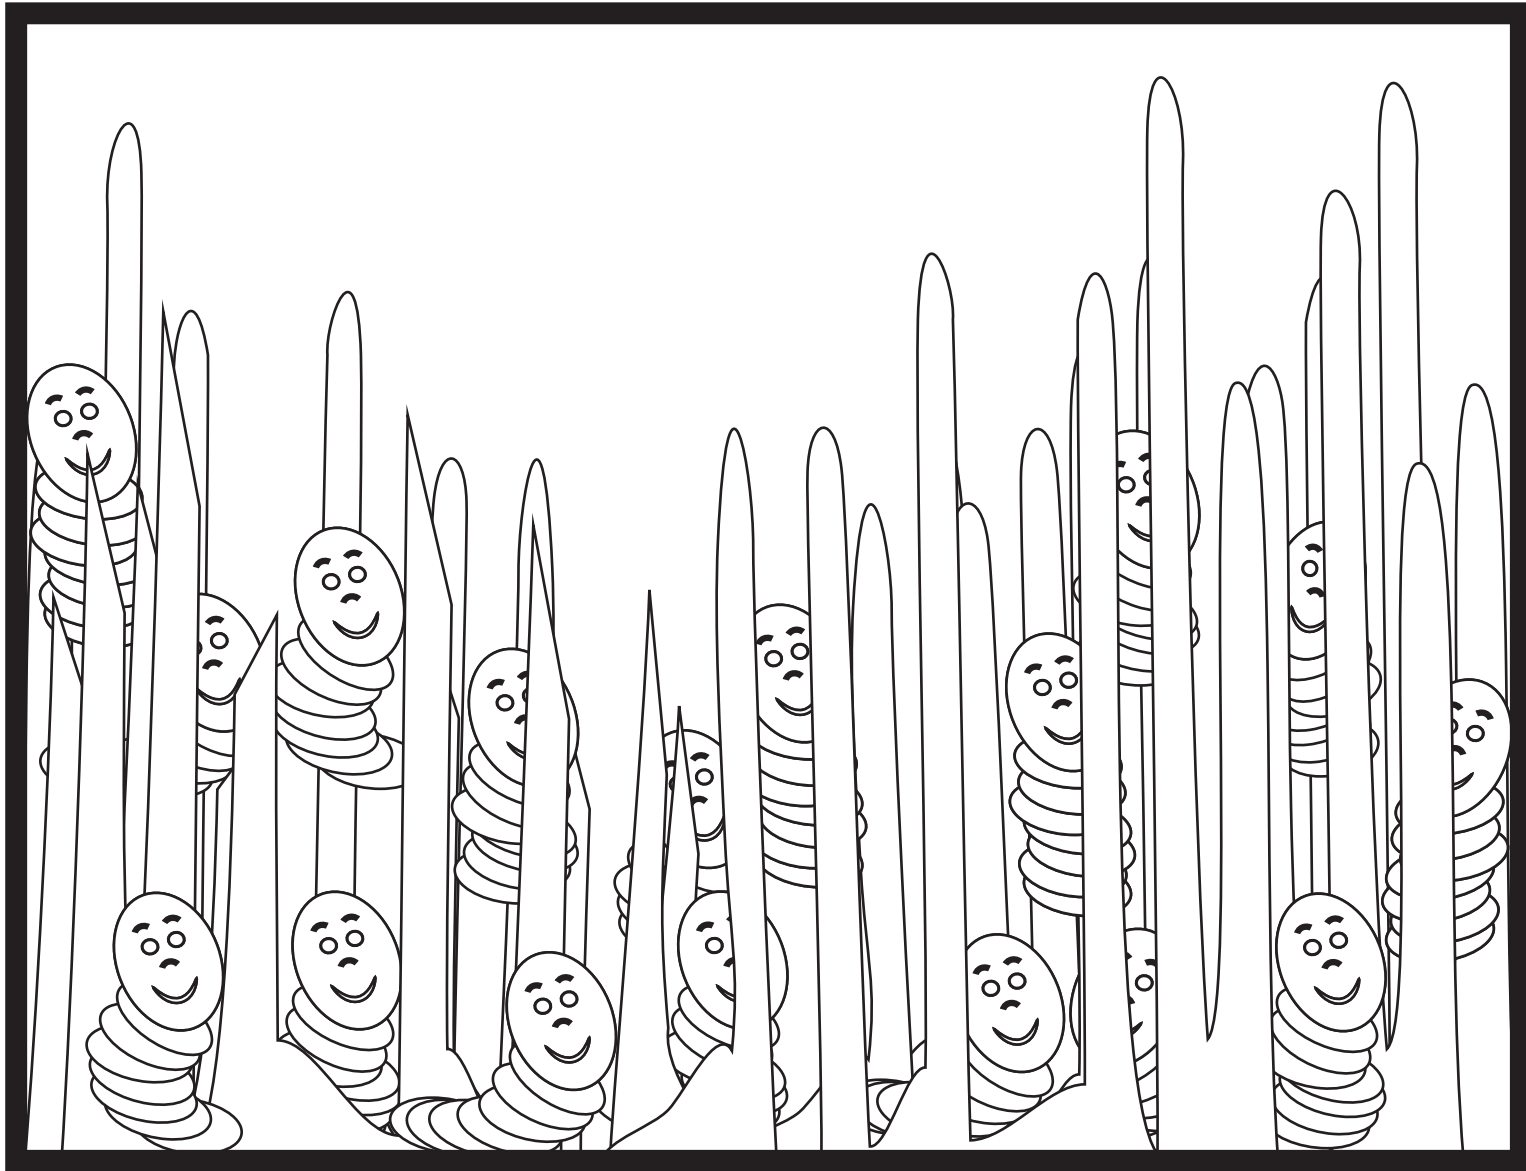

Courtis remembered **The Magic Words**. He jumped up and ran straight into a tangle of folks. Courtis whispered into one folks ear "Please." Into another ear he whispered "Thank You."

The Magic Words

Suddenly, the folks of the Nation called Nice stopped still. They were spellbound by **The Magic Words**.
Now the Nation called Nice began to smile again.

The Magic Words

The Green Greedy Gimmies smiled so much, that they turned into The peachy Grinnies. They would get right into folks' ears and whisper... The Magic Words.
